Administrative Functionality

No updates.

USA Hire Functionality

✔ Updated USA Hire banner and re-rate actions. When a re-rate is applied:

- In an Applicant record – the system will send back the appropriate USAH status, and update both the rating, and Record Status Code (RSC) to avoid the need for a page refresh.
- In an Applicant list – the system will send back the Undetermined (Re-rate Required) status so that the updated status displays in the applicant list when users make updates to the rating and saves.
 - In the Applicant overview – updated the warning banner that displays when there are USA Hire statuses in an Undetermined (Re-rate Required) status to the following: *“There are applicants with an undetermined USA Hire Status! Apply a vacancy re-rate, wait for the re-rate completed successfully alert, and refresh the page to view the updated USA Hire statuses.”*
