USAJOBS Updates

Megan Arens, USAJOBS Customer Experience Manager

Use ATP to mine resumes from displaced federal employees

- ATP has a new resume mining search filter to find federal employees eligible for Career Transition Assistance Program (CTAP) and Interagency Career Transition Assistance Program (ICTAP)
- Job seekers can select CTAP/ICTAP eligibility in their USAJOBS profile and make their resume searchable
- CTAP and ICTAP eligible employees are seeking federal employment and if qualified, have selection priority

Make your resume searchable

- Only Word documents, text-based pdfs, text files and resumes created using our Resume Builder tool are searchable. PDF portfolio files may not be viewable. Convert them to standard PDFs before uploading.
- If your profile is complete, your profile will also be searchable. [Learn more about creating a profile.](#)
