

USA Staffing® Reporting and Analytics Release Notes

Stage Release Date: September 6, 2023

Production Release Date: September 13, 2023

OFFICIAL USE NOTICE: This material is intended exclusively for use by USA Staffing Customers and is not to be distributed without approval from the USA Staffing Program Office. This communication may contain information that is proprietary, privileged or confidential or otherwise legally exempt from disclosure. If you have received this document in error, please notify the USA Staffing Program Office immediately and delete all copies of the presentation.

Applicant Flow Data Warehouse

Vacancy Namespace

Vacancy Information folder

Requester query subject: a new query subject and query items were added to enable reporting on the requester(s) for any requests associated with a vacancy.

- 'Requester Email': The email address of the requester. Note that more than one requester may be associated with a single vacancy.
- 'Requester Name': The name of the requester. Note that more than one requester may be associated with a single vacancy.

Hiring Data Warehouse

Applications Folder

Application Information sub-folder

Application query subject: new query items were added to enable reporting on the status of an application with regard to USA Hire assessments.

- 'Invited to USA Hire?': Flag indicating if an applicant was invited to complete one or more USA Hire batteries ('Yes' only after July 2023 when reporting began, 'No' before).
- 'USA Hire Status': The USA Hire status of an application (e.g., Pending Completion, Partially Complete, Complete, Did Not Complete, Not Applicable).

Assessment Packages Folder

Assessment Information sub-folder

Assessment Flags query subject: a new query item was added to enable reporting on the flags associated with an assessment package.

- 'Assessment Flag': The assessment flag associated with the assessment package.

Assessment Scoring Information sub-folder

Assessment Screen-Outs query subject: a new query subject and query items was added to enable reporting on the screen-out criteria associated with an assessment.

- 'Assessment Screen-Out Ineligibility Code': The ineligibility code (e.g., IQID) associated with the screen-out criteria established for an assessment questionnaire.
- 'Assessment Screen-Out Name': The name of the screen-out criteria established for an assessment questionnaire.
