## Reporting and Analytics

### Reports

- The Applicant Scores by Assessment report was modified. The report displays information for a particular vacancy, including a list of applicants and their ratings, to help gain greater understanding of ratings for applicants. The report prompt page was modified to use cascading based off of vacancy number to enable users to select from a list of options. The report output was modified to include name suffix as a column.
  - Location: Team Content > USA Staffing Packages and Folders > Staffing Reports > Staffing > Assessment
- The USA Hire Assessment Completion Tracking report was created. The report displays the date that applicants for a vacancy completed the USA Hire assessments (or if not yet completed, the completed date remains null).
  - Location: Team Content > USA Staffing Packages and Folders > Staffing Reports > Staffing > USA Hire
