Reporting and Analytics

Reports

- **Vacancy Overview Dashboard:** The Vacancy Overview Dashboard was modified. This report displays key vacancy metrics as well as tabular data to the display details about a vacancy, including the total number of applications received and number of applications by status. The report prompt page was modified so that the optional prompts for appointing authority and mission critical occupation use the Select & Search prompt type rather than the Value prompt type. The purpose of this change is to address prompt page loading issues associated with the prompts.
 - Team Content > USA Staffing Packages and Folders > Hiring Data Warehouse > Vacancy
