Stage Release Notes

Release 16.0

September 15, 2023

OFFICIAL USE NOTICE: This material is intended exclusively for use by USA Staffing Customers and is not to be distributed without approval from the USA Staffing Program Office. This communication may contain information that is proprietary, privileged, confidential, or otherwise legally exempt from disclosure. If you have received this document in error, please notify the USA Staffing Program Office immediately and delete all copies.

Completed System Functionality

The USA Staffing Release Notes provide an overview of the most recent functionality deployed to the USA Staffing Stage and Production environments. The  icon designates the completion of a feature previously defined in the Program Roadmap. To learn more about upcoming features and the release schedule for the USA Staffing Stage and Production environments, please visit the [USA Staffing Resource Center](#).

Staffing Functionality

Applicant Overview

Added an indicator on the Applicant Overview page to indicate when an applicant's assessment responses have been manually changed.

Stored List

Added the *Augmented Rating* option so HR users can indicate if it should be included in the Stored List Export File.

Certificates

Added the *Pinned* toggle to display on certificates. This toggle can be turned on/off for applicants on the certificate.

New Hire

Removed the *Assignments* section from New Hire Overview page as the first step in re-designing this page.

The following form has been added in USA Staffing:

- CFPB-1 – CFPB Credit Release Form

The following forms have been updated in USA Staffing:

- C 2
- DOI BIE PAL
- DISA 1599
- OCHR-EOD 08
- OPNAV 5239/14

Hiring Manager Functionality

No updates.

Administrative Functionality

- ✔ Added a section titled *Default Activity Summary* to the Customer Onboarding Defaults page, which allows users with *Create/Edit Customer* permission to set how often new hires should receive the Activity Summary email (i.e., *Monday/Wednesday/Friday* vs. *Never*). All changes made will be captured in *History*.
Note: This setting will be defaulted to *Monday/Wednesday/Friday* for existing new hires.

Added *History* entries capturing changes made to the *Vetting Status* and *Task Result Set* settings when editing a Task.

USA Hire Functionality

Added a data validation that prevents users from adding Supervisory USAH Assessments to vacancies that are not designated as *Supervisory* on the Vacancy Information page.

Added a data validation that prevents users from adding USAH Assessment Templates that do not match (e.g., Standard/Premium, Premium/Custom, Standard/Custom).

Reporting and Analytics

Reporting and analytics enhancements can be reviewed in the Release Notes section of the [Reporting and Analytics](#) page on the [USA Staffing Resource Center](#).
