## Reporting and Analytics

### Reports

- **JOA Review Detail Report:** The JOA Review Detail Report was created. This report provides tabular data listing the job opportunity announcement (JOA) reviews for a vacancy, including detailed information about review status, reviewers, and reviewer assignments.
  - Team Content > USA Staffing Packages and Folders > Hiring Data Warehouse > Announcement

### APIs

The API team continues to add to the Data APIs available to pull bulk data sets from USA Staffing. For detailed information about each API, including data definitions, visit <https://developer.usastaffing.gov/>.

- **Assessments API:** The Assessment API was updated. The Assessments API provides detailed data about each assessment created and used in a vacancy in USA Staffing. The API will return data about the assessment and a link to the sub-entity competencies. In addition to the data specifically related to applications, direct links to associated APIs are provided in the returned JSON for the vacancies and reviews APIs. The API was updated to include three new fields in the JSON response:
  - Passing Score Flag
  - Manual Assessment Methods
  - Manual Assessment Method Details
