USA Staffing®
Reporting and Analytics Release Notes

Stage Release Date: September 20, 2023

Production Release Date: September 27, 2023

Applicants Folder

Applicant List Information sub-folder

Applicant List Filters query subject: new query items were added to enable reporting on the USA Hire status filter used to create an applicant list.

- 'Applicant List USA Hire Status Filters': The concatenated USA Hire status filter used to create an applicant list.

Applicant List USA Hire Status Filters query subject: a new query subject and query item was added to enable reporting on the USA Hire status filter used to create an applicant list.

- 'Applicant List USA Hire Status Filter': The USA Hire status filter used to create an applicant list.

USA Staffing Data APIs

Application API Sub-Entities

The following Application API sub-entities were updated to allow direct data pulls (rather than through the Application API) and to enable sorting of the data based on the DW Last Modified Date/Time.

- Application/AnnouncementItemsandResponses
- Application/AssessmentItemsandResponses
