Stage Release Notes

Release 25.02

October 25, 2024

OFFICIAL USE NOTICE: This material is intended exclusively for use by USA Staffing Customers and is not to be distributed without approval from the USA Staffing Program Office. This communication may contain information that is proprietary, privileged, confidential, or otherwise legally exempt from disclosure. If you have received this document in error, please notify the USA Staffing Program Office immediately and delete all copies.

Completed System Functionality

The USA Staffing Release Notes provide an overview of the most recent functionality deployed to the USA Staffing Stage and Production environments. The  icon designates the completion of a feature previously defined in the Program Roadmap. To learn more about upcoming features and the release schedule for the USA Staffing Stage and Production environments, please visit the [USA Staffing Resource Center](#).

System

Advanced Search

✔ Added the ability for users to save an Advanced Search by clicking *Save Search* once they've entered search criteria. Users can indicate their preferred sort order within the saved search, edit the search name, and run or delete saved searches as needed.

Applicant Overview

Applicant Record

The following NOR message codes have been added:

Code	Definition	Message
ELIP	Eligible, not considered due to Indian Preference eligibles	By law, Indian Preference applicants are entitled to priority consideration for Federal employment ahead of other applicants. Currently, there are Indian Preference applicants for this position. However, if additional applicants are needed, your application may be referred for consideration at a later date.
IOBM	Ineligible due to lacking bar membership	You are ineligible because you certified that you are not an active member of the bar.

The following NOR message code has been modified:

Code	Definition	Message
IOIP	Not considered due to Indian Preference eligibles	By law, Indian Preference applicants are entitled to priority consideration for Federal employment ahead of other applicants. There were sufficient Indian Preference applicants for this vacancy; therefore, your application was not considered.

New Hire

Added the *Duty Location*, *Salary*, and *New Hire Email Address* fields to the Tentative and Official Offer new hire offer acceptance pages. These fields will be populated from the new hire Position Information Questionnaire. If an item is not responded to in the questionnaire, it will not populate on the landing page. Instead, it will state "*Review emailed job offer for full details.*"

The following forms have been added in USA Staffing:

- FEMA 121-0-0-8 – FEMA Employee Screening and eQip Initiation Request
- USTC Locator Card – Locator Card Information
- USTC Non-Filing Taxes – Acknowledgement of Non-Filing Taxes

The following form has been updated in USA Staffing:

- HHS 745

Hiring Manager Functionality

No updates.

Administrative Functionality

Competency Networks

Added the ability for users to see additional information about a competency without having to unpublish the *Competency Network*.

USA Hire Functionality

No updates.

Reporting and Analytics

Reporting and analytics enhancements can be reviewed on the Release Notes page of the [USA Staffing Data Resource Center](#).
