Reports

- **Production Statistics Dashboard:** The Production Statistics Dashboard was modified. This report provides visualizations and tabular data on the most common production statistics (announcements, applications, certificates, selections, tentative offers, official offers, forms and documents transmitted to eOPF, and entries on duty). The report was modified to include additional metrics, visualizations, and tabular data on the number of forms and onboarding documents confirmed as transmitted to eOPF. Additionally, the Applications metric was updated from using the Application Last Modified Date/Time to using the Application Last Submitted Date/Time.
